

We Lead Together

Prepare her for a lifetime of leadership and be the mentor she needs. Girl Scouts is a volunteer-led organization, so we need parents, guardians, community leaders, and other caring adults to invest in the lives of girls. Whether you have one hour or a lifetime, we need volunteers just like you!

Girl Scout Volunteers

- Have a positive impact on girls.
- Build self-confidence.
- Give back to their community.
- Apply their talents.
- Develop their leadership skills.
- Build their network.
- Make a difference.
